Mr John McKenzie
Legal Services Commissioner
Office of the Legal Services Commissioner
Level 9, 75 Castlereagh Street
Sydney NSW 2000

Dear Mr McKenzie

Re: Corruption within the Office of the Legal Services Commissioner

As you know, and as is obvious to a great many people watching the antics as taking place within your office, you are deliberately turning a blind eye to serious solicitor misconduct, and indeed have been doing so since commencing in the role of legal services commissioner.

The question I and others are asking is why you are in fact doing so.

Are you taking bribes?

Yours faithfully

Symn Waters
